

Flex Coupler Shafts / Cross Drive Shafts

OEM or Replacement Flex Coupler / Cross Drive Shaft for 8', 9' and 10' Rigid Deck Rotary Cutters.

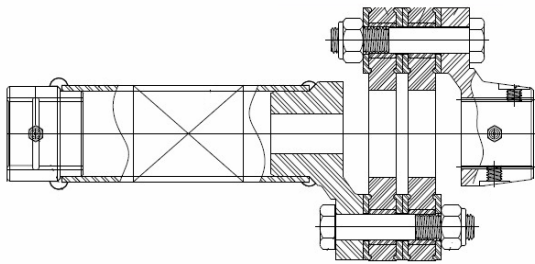

Fit cutters for Servis Rhino, Woods, Landpride, Big Bee, International, WAC and many more.

The rubber pads are replacable as well as all of the mounting hardware.

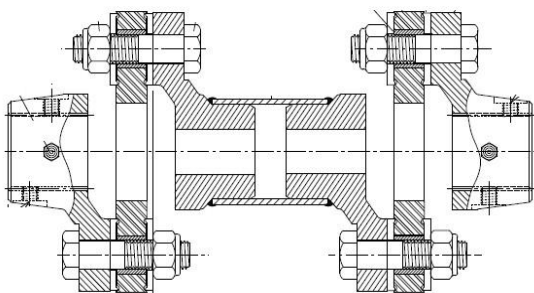

Each mounting hub is tapped and threaded to accept a mounting set screw to lock the flex coupler in place.
